Wet weather contingency plans are vital for anyone considering a ceremony in our Garden State. If you feel that the weather will cause a great deal of anxiety for you in the lead up to the function, it is recommended that you seriously consider a solid back up plan. Our staff have experienced the best and worst (and lately the hottest at 48 degrees) of conditions so please feel free to call and discuss your concerns with us at any time.

**Basic requirements for a Garden Wedding Ceremony** - Chairs, Aisle Runner & Registry Table.

**Basic considerations for weather** – Umbrellas / marquees for shading, bottled water for extreme heat.

Ask your celebrant before hiring - Registry Table, Lectern, PA / Music System

“Everything Else” including some of the most popular items as shown below may be supplied by
