Hi Denise and Peter,

Just wanted to say a big THANK YOU for all your work on my wedding day a couple of weeks ago (21<sup>st</sup> Feb). The chairs and red carpet set up at the Botanic Gardens looked AMAZING and beautiful and it was so well organized. Also the floral centerpieces at The Pier looked fantastic and we were so happy with them.

Thanks so much again for all your help in the lead up to the wedding and on the big day! I will certainly be recommending you to all my friends ☺

Kind regards,

Catherine ☺

Hi Jenny and Denise,

I wanted to thank you both for the set up at my ceremony - it looked just fantastic!

The weather was perfect - blue skies and sunny, and the white marquees and chairs against the green of the gardens was stunning. The guests all commented on how great all looked, so thanks for your part in making it a wonderful day!

Cheers,

Hi Denise and Peter,

Vasco and I just wanted to say thank you again for your service on the day of our wedding. You guys were truly fabulous, things were set up beautifully just as I had wanted and no one even recalls seeing you all come to remove the chairs your service was so discrete! You were all really helpful in the lead up to the wedding and on the day things went so smoothly for us that we had a really amazing day - and you were a big part of that!

So many thanks again and all the best for the future,

Kara and Vasco

Dear Denise

Finally pulled some pix together from the wedding to share with all the wonderful suppliers that helped make it a great day - including you !

I haven't had a chance to say how happy I was when I saw the arrangements, you exceeded my expectations and did a wonderful job of interpreting my brief and not requiring me to be really specific !

It was even more fantastic for the fact that the bamboo stands tied in so perfectly with Brett Currell's bouquets and pins - of which I was equally impressed with.

Thanks so much for the wonderful service in providing advice on options and going above and beyond to provide broader wedding tips and helping me to find a band!

I will recommend you to anyone with great pleasure.

Hope you enjoy the pics

Cheers

...I'm sure the wedding will be fine; it's just all the planning that is hard. But I am glad I found your company. You have been extremely helpful and your responses to my initial queries were very fast and full of information. So I thank you for that.

Lorena.

Hi Denise,

How are you?

The night went well! It was great!

Thank you so much! The chairs looked amazing! I know this will sound conceited – but I thought everything looked fantastic! From the sashes to the centre pieces...

Hi Denise,

We just got back from our honeymoon today! Not really looking forward to going back to work though...seems like we need another holiday from a holiday...haha!

Apologies we've been so busy even since the wedding as we had to prepare for 2 more dinner receptions in Spore and Malaysia a week after our wedding in Melbourne, before we finally had a breather. I have been wanting to write to you to express our deepest thanks and finest comments to you and your team for making our wedding day extra perfect!

So many of our guests commented on the ceremony setup on the day itself, saying that it was done so beautifully! I myself was so overwhelmed with the wonderful work you and your team had done for us that I was just busy trying to take in everything during the ceremony... I was so sad when it was finally taken down!...Denise, I really want to thank you for all your help in making our wedding so lovely and memorable for us and for being so flexible and understanding...

Cheers,

Dear Denise and Peter,

I can't thank you enough for the absolutely amazing job you did for Laura and Trav's wedding last Sunday at The Botanic Gardens. The lawn decoration with the carpet, topiaries and the extras such as the sign and quill pen as well as the wonderful orchid vases, mirrors, votives and wishing well at The Terrace set the scene for an amazing day that went flawlessly.

Everyone who attended the ceremony and reception commented on how wonderful the venues looked. Thank you also for being so available to answer all my questions as a first time wedding organizer!

I will be only too happy to recommend you to anyone who needs people of your caliber and ability to help with their own special day.

I will follow up this email with a more personal note of thanks in the post.

Kindest regards

Janice

Hi Denise,

I wanted to email you to thank you SO much for all of your help with our wedding. You were so helpful in all your suggestions leading up to the big day and also the recommendations you made for other suppliers.

Everything was perfect! The set up looked amazing, and our guests are still commenting about how great the set up in the marquee looked as well as how beautiful the vases and orchids were.

The night flew - I can't wait to get the professional photos back so I can see it all again! Did you get some shots of Paringa too? When we get our pro ones back I will email you some of the venue. Hi all,

Well, we can't believe we've been married for nearly 2 months! We had a fantastic time on our wedding day, and it was thanks to you all for the services you provided:

- Erica and Francois, the ceremony went off without a hitch, you did a fantastic job as our celebrant
- Ruth, the flowers were perfect - everyone commented on how gorgeous they looked. The colours were amazing, and really blended in with the colours of the girl's dresses
- Denise and Peter, the table settings made our reception look as classy as ever!
- Aileen & Doug, Karrawingi Park shone for us on our special day! The gardens were beautiful, and both ceremony and reception were perfect. We couldn't believe the colours of the gardens would turn out to be as good as they did.

We have put together a wedding website of some of the happy snaps for everyone to enjoy our special day. We must also thank Sean Callinan from A Touch of Flash Photography who did an amazing job with our photos.

Once again, thank you to all of you. We will happily recommend you to anyone else.

Hi Denise,

A very, very belated thank you for the wedding decorations. The tear drop arrangements were absolutely gorgeous - it is a pity the weather was too risky for the garden ceremony. The wishing well and table mirror centerpieces were exactly what we wanted - thanks again.

Once again, on behalf of Rebecca and myself thank you.

Hi Denise!

I just quickly wanted to say thank you for all of your help to create my perfect wedding day!! The decorations you offer are beautiful and reasonably priced, and I had no troubles at all with pick up and delivery. I had difficulties with so many of the other vendors involved with my wedding but you were great to work with from the very start. I would have no worries recommending you to all of my friends. Hi Denise

Many thanks for the photos, they really show off the space and your work to advantage! I heard several comments from Vesna and Murat's guests about how lovely the venue looked. And I also, was really knocked out by its elegant simplicity.

I do hope that you will be Organising weddings at the John Smythe Courtyard on many more occasions. It is a lovely secluded and under used space.

Many thanks

Hi Denise, Nicole here.

Con and myself just got back from our honeymoon (Port Douglas) and I wanted to let you know as soon as possible how absolutely beautiful our room looked. You did an amazing job and our guests thought so too.

I remember walking into the room for the first time that evening and thinking WOW, which is how you want to feel on your wedding day. The whole day was fantastic and I owe a big part of that to all the wonderful and professional people I worked with in planning and preparing the wedding, which includes you so thank you sooo much.

It feels kinda strange that we never met face to face but Im sure we will one day as there are bound to be future functions (I married a Greek boy and they love to party).

Thanks again Denise from the bottom of our hearts!

Hi guys!!!

thank you so much again for service above and beyond. Yes the girls (plus a boy!) were FANTASTIC to say the least. not only were they stylish, they were lovely and very professional, and i believe they were very good at their job because i didn't even notice them - things just rolled smoothly, and before i knew it, they were giving me hugs n kisses for goodbyes! .... what a team. what a mum., including your gorgeous Shae - they were real naturals, and believe me, those abilities don't just come by, i think it's in her blood to work with parties ;-)

as for the bride and the groom - glenn was sick on the day, and now i am... maybe it was because i drank champagne all day while cleaning up!!!

It was truly a beautiful & fun day & a huge success. Surely it will sink in soon as we unwind & get our feet on ground again....

a huge thank you and xoxoxoxo again,

(Hikaru – Park Orchards Wedding at Parent's Home)

Hi Denise,

Just wanted to say a huge thanks for all your help it was really appreciated. I hope you had a great night at the event and im sorry that i didn't get to see you but the cruise would not have looked as good as it did without you. We have estimated that we have raised \$5000 for the breast cancer foundation but we are still waiting on some people to collect their prizes and for deposits to be returned. That aside it was very humbling for our first event to raise such a large sum of money for such a worthy cause.

Thanks once again for all your help and all the best.

Kind Regards

To truly appreciate life...

you must enjoy how you spend your days and those whom you spend your days with,

you must open your mind and be prepared to learn something new, no matter how trivial,

you must be respectful of those who are older than you, even if only by a matter of days,

you should sit for just a moment and pat a cat or a dog (optional),

you must take the time to sip tea without working over your computer,

but most of all you must truly adore your work...
